

CORE FEATURES: Exploration

Manipulate the clock

it changes the time of the day

Eat healthy

It takes time, but it gives you
more stamina

Eat poorly

It takes less time, but it
makes you walk slower

Eat inedible stuff

it gives you an urge to run to the
bathroom all day
<might trigger an ending>

Drink coffee

Makes you walk faster

Drink coffee + soda

Makes you walk even faster

and many, many more...
